.....

Since we have a vacancy for Vice President, Ken advised the members to make nominations to finish the term. Guy (N4DEL) submitted his name. Any other names should be

submitted by or during the May meeting so we can vote at the June meeting.

.....

Wallace (WU1Y) gave an excellent presentation of the future use of satellites in Ham radio and provided numerous visual aids. A highly informative and interesting demonstration.

.....

The video meeting was then concluded, and we will try a video at the next scheduled meeting on May 26. 2020.
