While we don't normally handle formal message traffic, we can and will in an emergency.
For those with 10 and/or 6 meter capability, we conduct two additional nets after this one:
10 meters right after this one on 28.315 MHz USB, and 6 meters following the 10 meter net on 52.04 FM simplex.

Regular monthly meetings are held at 7PM on the third Monday at the following location:

Wellspring Church, 1780 S. Woodland Blvd, DeLand

(in the Victoria Square shopping center, next to Gator's Dockside)

Our next meeting will be (*month and date*).

Anyone interested in amateur radio is cordially invited.

Are there any announcements?

(LONG PAUSE, allowing time for Echolink stations with announcements)

I will now standby for ECHOLINK check ins.

(LONG PAUSE*, and acknowledge each station that checks in*)
